

Luna is redesigning the physical therapy experience for therapists and patients. Are you an exceptional PT that believes that healthcare is changing, and you want to be part of the change? Over 500 PTs have joined Luna in 4 markets. **We're recruiting PTs throughout the San Francisco Bay Area, Los Angeles County, and San Diego County. If interested, please contact Edward Hu ([edward@getluna.com](mailto:edward@getluna.com))**

Therapists are matched with motivated patients to provide in-person PT or via televisits as appropriate. You'll be the clinician of record to provide care from the start of care to discharge. Most patients complete 10-12 visits on average. You should be comfortable in devising a Plan of Treatment that is motivating and collaborative with your patient. You're tech-savvy and can navigate a digital library of exercises, and guide your patients on appropriate procedures and techniques to promote effective and safe recovery. You are compassionate, patient, and thorough.

#### Responsibilities

- Perform initial and ongoing physical therapy evaluations according to APTA standards of practice as well as state standards.
- Develop Plan of Treatment for each patient based on initial and ongoing evaluations including short and long term goals. Implement Plan of Treatment on a consistent schedule and adjust this schedule and plan according to patient progress.
- Document patient progress according to approved medical documentation and facility documentation procedures.
- Evaluate mobility, strength, and current level of patient function, while setting goals to improve in these areas that are scaled to patient abilities and that are realistically attainable.

#### Qualifications

- Proven record of providing exceptional care and implementation of these plans safely and effectively.
- Strong experience administering a wide range of physical therapy techniques.

- A strong sense of empathy, a compassionate outlook on PT, and the ability to motivate patients into pushing their limits in a responsible, safe way.
- We are looking for at least 3 years of experience providing physical therapy to patients including time as an aide or technician.
- Current Physical Therapy license.
- Tech-savvy and comfortable using our voice-enabled app.
